St. Petersburg State University of Architecture and Civil Engineering

Through rigorous and independent data collection and analysis of performance metrics as set out in the QS Stars™ methodology, QS has rated **St. Petersburg State University of Architecture and Civil Engineering** as a 4 Star institution.

The QS Stars™ rating system is operated by QS, the independent compiler of the QS World University Rankings® since 2004. The system evaluates universities across a wide range of important performance indicators as set against pre-established international standards. By covering a broader range of criteria than any world ranking exercise, QS Stars™ shines a light on both the excellence and the diversity of the rated institution.
